**COMMON
PROBLEM**

Your drunk friends are starving and have begun to eat the sewer rats residing inside Park Street Station.

**COMMON
SOLUTION**

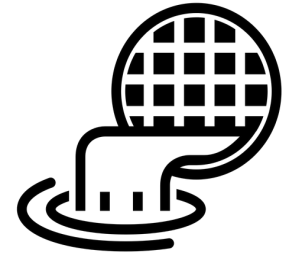

Hungry? Have some bread.

**COMMON
PROBLEM**

The Charles River has flooded as a result of a devastating monsoon and raw sewage is invading the high end brownstone apartments.

**COMMON
SOLUTION**

This drain will help you in shitty situations.

**COMMON
PROBLEM**

You have been forced to watch 8 straight hours of 2024 Olympics propaganda films.

**COMMON
SOLUTION**

Protect your eyes from harmful brain-washing rays.

**COMMON
PROBLEM**

You have come to the realization that your pompous Suffolk-educated friend has been spying on you for the government.

**COMMON
SOLUTION**

No one likes a traitor! Have a nice trip, see you next fall.

**COMMON
PROBLEM**

You have been selected against your will to be a test subject for Harvard's annual human experiment showcase.

**COMMON
SOLUTION**

Convince the scientists you are a robot and do not have human organs!

**COMMON
PROBLEM**

You have been publicly humiliated for not wearing the State-appointed dress code of H&M and Urban Outfitters.

**COMMON
SOLUTION**

Grow a hip manly beard to redeem your wardrobe blunder.

**COMMON
PROBLEM**

The State has shut off your electrical power for illegally downloading the latest Tay-Swift album.

**COMMON
SOLUTION**

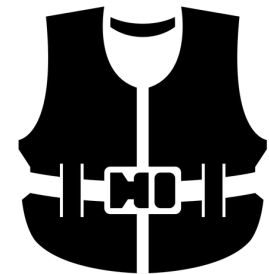

We're going to need to take on this dark old school style.

**COMMON
PROBLEM**

You have been randomly chosen to compete in the semi-annual "Row for your Life" Head of the Charles survival challenge.

**COMMON
SOLUTION**

Take this to be able to stay afloat.

**COMMON
PROBLEM**

A drunken government elite has “accidentally” set your apartment on fire after a dubious Friday night pub crawl.

**COMMON
SOLUTION**

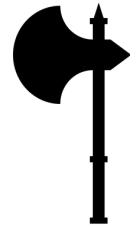

*It's not much, but
it will make things
cool down a bit.*

**COMMON
PROBLEM**

You have been drafted by your leaders to fight for your State in World War V.

**COMMON
SOLUTION**

*Time to get medie-
val on the battlefield.*

**COMMON
PROBLEM**

Your rebellion failed miserably. You have been sentenced to a lifetime of attending Dropkick Murphy concerts.

**COMMON
SOLUTION**

*Time to call in a favor to
the friend with the noise
cancelling headphones.*

**COMMON
PROBLEM**

Your house no longer has heat due to the frequent leaks of Boston's natural gas pipelines.

**COMMON
SOLUTION**

*Warm hands make
for a happy soul!*

**COMMON
REVOLUTION**

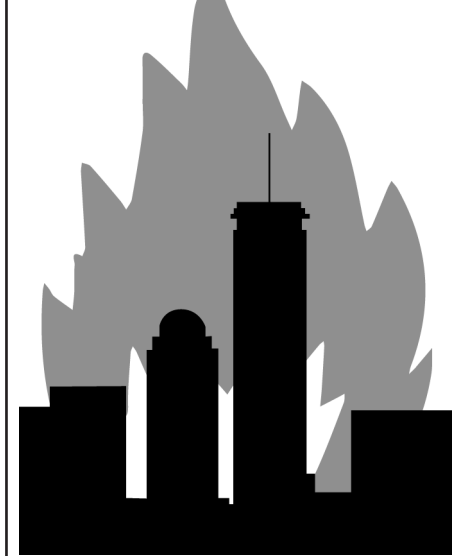

**COMMON
PROBLEM**

The city has become vastly overpopulated causing the line at your local Dunkin Donuts to be four times as long as usual.

**COMMON
SOLUTION**

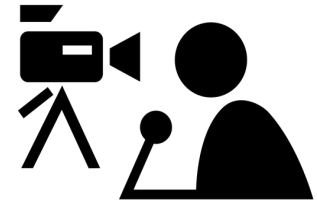

Feelin' sneaky? Use this to get ahead of the crowd.

**COMMON
PROBLEM**

The State has banned all Hollywood media creating a substantial decline in Mark Wahlberg films.

**COMMON
SOLUTION**

Act hastily and binge watch all his movies before your private stash is discovered!

**COMMON
PROBLEM**

A controversial political shift has unfortunately caused the demise of Ben Affleck and Matt Damon's friendship.

**COMMON
SOLUTION**

Try and reconcile the two over a nice cup of joe.

**COMMON
PROBLEM**

You have not attended your State-mandated Red Sox game and as a result must offer up one of your younger siblings as a disciplinary sacrifice.

**COMMON
SOLUTION**

Dress them up in disguise and send them off to make a run for it!

**COMMON
PROBLEM**

Oh no! A government official has poisoned the radical regime's Sam Adams supply and you all have been afflicted with dysentery.

**COMMON
SOLUTION**

You know that plumber uncle you haven't spoken to in years? Give him a call.

**COMMON
PROBLEM**

The dystopian powerhouse known as Blanchard's now only sells O'Douls to anyone who is not a member of the government elite.

**COMMON
SOLUTION**

Ferment your own grapes and get weird.

**COMMON
PROBLEM**

There has been a nuclear fallout at the top-secret nuclear research center of Wentworth causing some of your family members to face harsh genetic mutations.

**COMMON
SOLUTION**

Go find that underground radicalized genetics doctor and have him work his magic.

**COMMON
PROBLEM**

Radioactive juice has covered the halls of Boston University's main gym facility creating ultra-destructive radioactive meatheads wielding dumbbells.

**COMMON
SOLUTION**

You're going to need to match their strength. Get yourself a trainer. Now.

**COMMON
PROBLEM**

The city's telecommunications have completely failed due to constant student use of Tinder and Grindr.

**COMMON
SOLUTION**

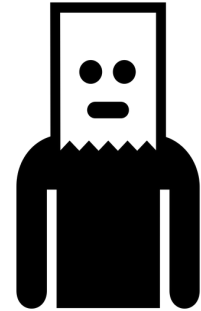

*Dig through the trash
and conjure up a
makeshift device!*

**COMMON
PROBLEM**

Hooray! The MBTA is now free! Unfortunately, it is now entirely run by sororities and fraternities trying to recruit you.

**COMMON
SOLUTION**

*Take this bag, put it
over your head and
keep walking straight.*

**COMMON
PROBLEM**

You have been plagued with a number of communicable diseases from mistakenly touching the decrepit subway handrails.

**COMMON
SOLUTION**

*At this point your
best solution is to
go find the hand of
your worst enemy.*

**COMMON
PROBLEM**

You are not able to leave your apartment due to the catastrophically massive amounts of trash piled outside your door the morning after the Saint Patrick's worship rally.

**COMMON
SOLUTION**

*I have just the
broom for you.*

REVOLUTION**

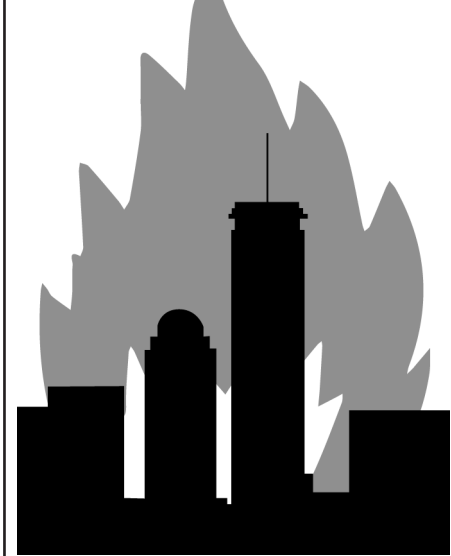

**COMMON
PROBLEM**

The State has regrettably assigned you to oversee all September 1st move-ins for the next twenty years.

**COMMON
SOLUTION**

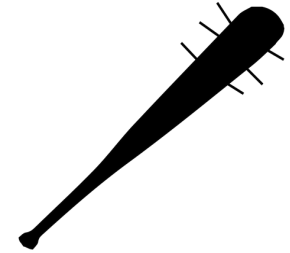

You're going to need this to move all those boxes!

**COMMON
PROBLEM**

The Fens have become infested with rabid monster geese that have stolen your student ID.

**COMMON
SOLUTION**

The most goose-propellant weapon on the market.

**COMMON
PROBLEM**

Your co-worker has been found guilty of treason and sentenced to death by basking in boiling hot chowder.

**COMMON
SOLUTION**

Quick! Grab a spoon and start eating!

**COMMON
PROBLEM**

Genetically enhanced roaches have overtaken the kitchen at Mike's Pastries causing you to spiral into a sugar withdrawal.

**COMMON
SOLUTION**

Arm yourself with this and head into the danger zone.

**COMMON
PROBLEM**

You are faced with a new government mandate in which all Facebook profile photos must be changed to you wildly enjoying a duck tour.

**COMMON
SOLUTION**

Remember, tours can't run with a flat tire.

**COMMON
PROBLEM**

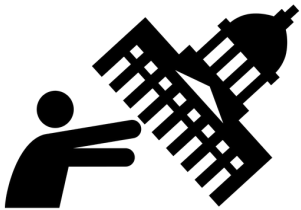

You have overheard that the State has made the decision to use Allston as its honorary meteor crash test site.

**COMMON
SOLUTION**

Send your condolences and get the hell out of dodge.

**COMMON
ANOMALY**

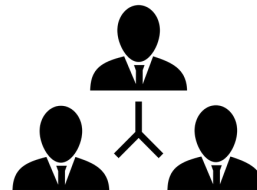

You have been elected leader of the revolution! An opponent of your choosing must forfeit all of their current matches to you.

**COMMON
ANOMALY**

You've been caught stealing the State's sacred oysters! Spend a day in jail by skipping your next turn.

**COMMON
ANOMALY**

You've moved up in the caste system! An opponent of your choosing must forfeit half of all their current matches back into the game deck.

**COMMON
ANOMALY**

You have been spotted fraternizing with a member of the radical regime! You must put all of your current matches back into the game deck.
