

Worshippers of the Black Goat

- The Initiation -

Twisted dark trees sway in the wind around the ritual site. You can hear the dark young, the children of the the great Black Goat approach the site. You cannot stay for now, but tonight you have your chance to show that you are worthy - the chosen one. Will you be reincarnated as Gof'n Hupadgh and be immortal or will you be crushed by the swarm of Lloigor.

“Iä! Iä! Shub-Niggurath! The Black Goat of the
Woods with a Thousand Young!”
