

Facebook Account

Looks like someone left his facebook account open on your computer! My, My!

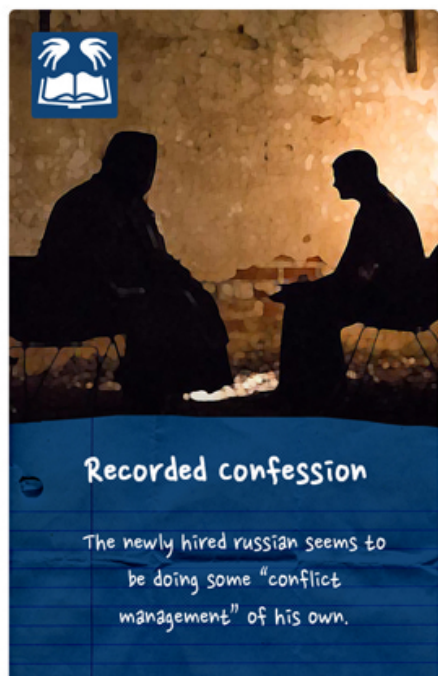

Personal Diary

Looks like Bill from accounting has a personal diary with a list of people he hates.

The List

Still using pen and paper!? You find a list with names from the company titled "To be relocated..."

Recorded confession

The newly hired russian seems to be doing some "conflict management" of his own.

Fridge Thief

You find Tim "searching the fridge". You now realize who's been stealing food from the fridge.

Video Surveillance

The security guy sent you a video with some "interesting positions".

Bank Fraud

You weren't good at math but you are pretty sure there are "extra zeroes" in this document.

Falsified Documents

Looky Looky, these salaries are "kind of spooky".

compromising Photos

An envelope filled with photos arrives at your door. Someone will pay nicely for these.
