

### The Ferrari

You "mistakenly" take the wrong keychain. Looks like dreams really come trough at Evil corp!

### Whip

A package with a whip arrives at your desk.You keep it for "research" purposes.

### cuban cigars

They keep telling you to stop buying cheap cigars. You take action on the next buget increase.

### The coffee Machine

You borrow the coffee machine for a while.You're sure that no one will miss it.

### Bloody Tooth

Someone is clearly using the wrong toothpaste.

### Garter

I don't have time for a girlfriend at Evil corp, but Maria from HR is the next best thing.

### Money Box

And all this time I thought there were magazines in that box.

### Nail clippings

Either a personal ritual or someone clearly doesn't have enough free time at home.

### used band-aid

Someone is obviously working their hands and feet off.
