

colleagues Scarf

You can still smell the perfume on it, I think I'll keep this.

Dirty coffee Mug

Must have been here for a while, I think something in it is starting to move

Lock of Hair

I wonder how much of this you need to make a wig.

Hairpin

I've heard you can never find them when you really need them.

wedding Ring

An empty desk and "some loud noises" from a nearby room. He won't be needing "the ring" soon.

Broken Glasses

You accidentally step on some glasses on the floor. You put them next to your broken dreams.

used Napkin

At Evil corp, you can make a wish for each tear. This might worth a fortune!

Bloody Stappler

You stand in awe in front of this magnificent tool of torture.

Lipstick

You wonder who it belong to. You try to put it on but figure out that the color doesn't suit you.
