

Flight of the Grey Ladies is about the brave pigeons that carried messages during world war ii.

Current Best Rules

Goal:

Place your meme in the enemy base.

Rules:

Birds can be carried along one line per turn.

Birds carried into empty cities holding enemy memes will be destroyed but change the meme to that of the current player.

Birds can fly back home at any point in a player turn as long as they are not carried in the same turn.

Each player can spawn one bird in any city they have a meme in.

Birds carried into enemy a city hosting an equal number of birds start a game of rock, paper, scissors:

results:

Tie: All birds die and the meme remains unchanged

Attacker: Defender loses all birds and meme changes to attacker's

Defender: All attacking birds die and city remains unchanged

If a bird is flying home to a city with one or more enemy birds start a game of rock, paper, scissors:

Tie: Defender loses a bird of the attacker's choice in the city, if there are no remaining enemy birds the defender loses the city. Homecoming birds lives.

Attacker: If the defender has less than 3 birds the attacking bird remains alive and all enemy birds die.

Defender: The homecoming bird dies, the defender will retain the city, but will lose one bird.
