

Antena

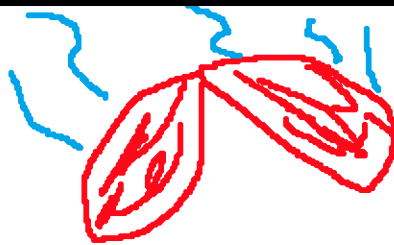

2

Opponent must play their next gene before you do.

Gills

0

+ 10 in abbysal biome

Egg Sacks

3

This gene's text is the same as the last gene you played.

Tentacles

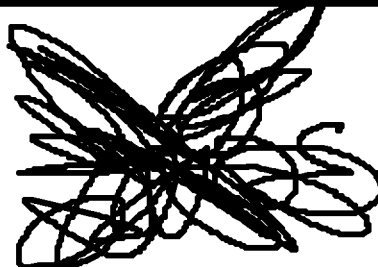

5

Opponent plays another gene. You pick which one this gene battles (the other gene goes back to hand).

Ink

4

This is testing the card text box to make sure everything fits ok so that I can write some studdfasfagahhdhddd

Shell

3

If the last battle was a tie, you win.

Suction Cups

3

Trade a gene from your hand with any of your other played genes (in your pool or used pile)

Fat

7

This gene loses to savage genes

Mimicry

2

This gene is an exact copy of a gene that won this turn but at -2
